

Jim Zalud, Corporate & Law Enforcement Educator, Presents:

Body Language for Successful Sales

This sales driven class will increase your confidence, adaptability & sales

The primary focus of this course is to provide any person who has ever had to sell a product, service, or idea, with a basic understanding of universally accepted body language interpretations that will leverage any agenda.

“Read your customer’s signals”

What You Will Learn

- Interpret body language of your customers
- Spot positive and negative non-verbal buying signals
- Use spacing and positioning for successful selling
- Maximize your entrance and introductions
- Arrange seating for your benefit
- Effectively use your own body language to close sales

Guarantee

“If I don't make you better equipped to sell your agenda during this 1 day course, I will give you your money back.”
